Microsoft Server VM

The screenshot shows the Azure portal interface for a deployment named "CreateVm-MicrosoftWindowsServer.WindowsServer-202-20221028123217". The deployment is in progress. The left sidebar shows the navigation menu with "Overview" selected. The main content area displays the deployment details, including the deployment name, subscription, resource group, start time, and correlation ID. A table titled "Deployment details" shows no results. The right sidebar contains links to Microsoft Defender for Cloud, Free Microsoft tutorials, and Work with an expert.
